

## Thank you from Youville Centre

Thank you so much for your recent in-kind donation to Youville. Counting on your donations means that we can continue to help our young moms and their babies with the items they need.

Please know that all items donated by you are accessed by our clients without a price in our SWAP Shop. If you donate new items, they are separated and they go into our YOUstore where our clients have an opportunity to "purchase" them with YOUbucks (fake money they earn by doing anything from good deeds for others to putting in extra effort to make it here on a tough day or complete an assignment). This balance provides our young moms with an opportunity to feel empowered that they have earned the ability to "buy" these items for themselves.

Clothing for moms and babies/children, toys, books, sheets, shoes, and small household items ALL come in handy when we serve the number of young mothers and children that we do on a daily basis, so thank you for choosing us!

Tell your friends... let them know that there is a great place that will put their donations to very good use! Take a look at this face... we think she's feeling pretty thankful for the help you give to her and her mom!

All the best on behalf of everyone at Youville Centre!
